## Request for Rectification, Erasure, and Restriction of Processing of Personal Data in the Border and Territorial Control Register and/or Entry/Exit System (EES)

You can request rectification, erasure, and restriction of the processing of personal data in the Border and Territorial Control Register and/or Entry/Exit System (EES).

The right to rectification, erasure, and restriction of processing is provided by the General Data Protection Regulation (GDPR) Articles 16 to 18. For the Entry/Exit System, this is also governed by EES Regulation Article 52.

You can use this form if you wish to request rectification, erasure, or restriction of processing of personal data in the Border and Territorial Control Register and/or Entry/Exit System (EES). Once you have completed the form, you can send it to Øst Police District (Postboks 3390, 1402 Ski).

The police emphasize that you should not send the form via email, as email is often sent unencrypted. Confidential, sensitive, or other classified information should not be sent via email, including messages containing a national identification number.

The response to the request will be sent to your registered address. If you do not have a registered address in Norway, the response will be sent to the address you provide in this form.

Parents/guardians can independently request rectification, erasure, or restriction of processing for a child under the age of 15. The request must be signed by a parent/guardian. From the age of 15, the individual to whom the data pertains can request rectification, erasure, or restriction of processing under the GDPR. Parents may exercise these rights on behalf of children over 15 when the child consents to this or when necessary for parental responsibility.

### **What the Request Concerns:**

I believe the information registered about me (or the person I am acting on behalf of) is incorrect and wish to have it rectified under GDPR Article 16

I believe the information registered about me (or the person I am acting on behalf of) is incomplete and wish to have it supplemented under GDPR Article 16

I wish to have the information registered about me (or the person I am acting on behalf of) erased under GDPR Article 17

I wish to restrict the processing of my personal data (or the person I am acting on behalf of) under GDPR Article 18

### **Which Register Does the Request Concern?**

Please check only what is relevant to your request.

#### **Border and Territorial Control Register**

The Border and Territorial Control Register is a national register of travelers that manages the police's administrative tasks related to entry and exit control, as well as immigration control within the territory. The processing of data in the register also has a crime prevention purpose. Detailed provisions on the register are given in the Border Regulations, Chapter 5.

The police register information on persons and travel documents/ID documents, as well as the time and place of border crossings/immigration controls.

#### **Entry/Exit System (EES)**

The Entry/Exit System (EES) is a European information system that registers data on entry and exit, as well as refused entry, for third-country nationals on short-term stays who cross the external borders of the Schengen area. It registers information on the person, travel documents, and visa, in addition to fingerprints and facial photos. Detailed provisions on the system are given in the EES Regulation (EU 2017/2226).

You can check the remaining allowed time for your stay in the Schengen area at any time by logging into the online service here: [https://travel-europe.europa.eu/ees/check-how-long-you-can-stay\\_en](https://travel-europe.europa.eu/ees/check-how-long-you-can-stay_en)
